The Office mailed a Notice to File Missing Parts of Nonprovisional Application on June 15, 2004 (*see Exhibit A*). On September 15, 2004 Applicants mailed a Response to Notice to File Missing Parts of Application (the "Response") (*see Exhibit B*) with the Declaration, Power of Attorney, and Petition (*see Exhibit C*) and a Credit Card Payment Form (*see redacted version in Exhibit D*). 37 CFR § 1.10 (see Certificate of Mailing by "Express Mail" (see *Exhibit E*) and Express Mail receipt (see *Exhibit F*)). In addition to the above, the Response included a postcard (see *Exhibit F*) and an Assignment for the benefit of EZ Footings, Inc. (See *Exhibit G*).

During the period between filing of the Response and this communication, Applicants received a stamped postcard filed with the Response (see *Exhibit H*) and the Notice of Recordation of Assignment Document (see *Exhibit I*) included in the same Express Mail envelope. In addition, Applicants made two written requests for status of the above-identify application and received no communication from the Office. Although the individual at the Office of Initial Patent Examination indicated that a communication was sent in October 2004 regarding the non-receipt of the Declaration, Power of Attorney, and Petition, Applicants did not receive such communication and such communication was not identified on Private PAIR (see *Exhibit J*).

In accordance with the instructions from the Office of Initial Patent Examination, Applicants respectfully submit duplicate copies of the Declaration, Power of Attorney, and Petition, Exhibit C, and a copy of the stamped postcard, Exhibit H, and request entering of such Declaration, Power of Attorney and Petition.

In the event that the Office finds any remaining impediment to continued prosecution of the pending application, which could be remedied through a telephonic conversation, the Office is respectfully invited to initiate the same with the undersigned attorney.
